Hello \_\_\_\_\_,

Welcome to the Southeast Chapter of Texas AWWA newsletter of upcoming events, articles, and more from our membership. Volunteer opportunities are the theme for this newsletter as volunteers are requested for the **50th Anniversary of Science Engineering Fair of Houston** (over 25 volunteers requested to be judges) at Brown Convention Center on 3/13/2009 and for the **Texas Water 2009 Conference** at Moody Gardens Hotel and Conference Center in mid-April (over 80 volunteers requested to aid at registration, sign placement, coordination, and more.) See Calendar Events for details.

The SE TAWWA Chapter's Leadership Team decided to cancel the April meeting so our members would be able to attend, and we hope volunteer, at the Texas Water 2009 Conference.

Our half-day seminar on February 17th had over 80 members attending in the beautiful India House Conference Center and we had over 20 seminar sponsors! See "Articles" to review the list of presentations and view the PDF converted PowerPoint Presentations. To view the photos taken during the seminar, click [photos](#). Our website is [www.setawwa.org](http://www.setawwa.org).

On a side note, please maintain your current email address with national AWWA website: [change address / member information](#). You will need your AWWA login information to make any changes. The e-mail address for each SE TAWWA Chapter member comes from national AWWA's database.
